One or more winner (depending on scope of program) for each competition will be selected in a random drawing from all qualified competition entry forms for that prize received by the posted deadline. The decision of this draw will be final and binding. The selected winner for the Competition to Win Free Sequencing will be announced at the end of the event, and / or notified by email within approximately two (2) business days after selection. If the selected winner of the Competition to Win Free Sequencing has not responded to email inquiries within five (5) business days, the prize for that competition may be forfeited and an alternate winner may be selected, based on the criteria set forth above, at the discretion of the Sponsor(s). The odds of winning depend on the number of eligible entries received.
